Attn: Lorin Nielsen, Assessment Officer

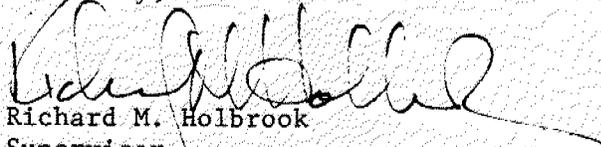

Re: Proposed Assessment for State
Violation No. N83-4-11-2
ACT/015/015

Dear Mr. Nielsen:

Consol hereby requests an assessment conference to contest both the occurrence of the violation and the proposed penalty for the subject violation. We would prefer to conduct the conference by telephone, provided that prior to the conference, we may mail exhibits to you for reference during the conference.

Please contact me at your earliest convenience if you have any questions or problems with this request.

Sincerely,

Richard M. Holbrook
Supervisor
Environmental Quality Control
