Dear Mr. Newmann:

Re: Bonding, Emery Deep Mine, ACT/015/015, Folder No. 2 and 5,  
Emery County, Utah

The Division is hereby returning the bond submitted for the Emery Deep Mine due to an improper description of the disturbed area. The submitted bond references 5180 acres of disturbance, while the bond amount calculated by the Division allows for only 40 acres of surface disturbance. Similarly, the attached legal description must be for the bonded area (disturbed area) and not the entire permit area.

A new copy of Form MR-5 is enclosed for your convenience. Please contact me or Randy Harden if you have questions.

Sincerely,

  
Susan C. Linner

Permit Supervisor
