Dear Mr. Holbrook:

RE: Subsidence Mitigation Plan, Consolidaiton Coal Company, Emery
Deep Mine, ACT/015/015, Folder No. 2, Emery County, Utah

Enclosed please find Consol's detailed plans to mitigate subsidence effects on the Jack Lewis Property. This was submitted by Consol as per the subsidence mitigation plan in their approved permit.

Since the area of impact includes prime farmland, a copy was submitted to the State Conservationist, Soil Conservation Service (SCS) for his approval of the prime farmland reconstruction plan. The state will approve this plan upon receipt of the SCS approval.

Your concurrence of this approval is greatly appreciated.

Sincerely,

L.P. Braxton
