Dear Mr. Holt:

Re: Prime Farmland Reconstruction, Consolidation Coal Company,
Emery Deep Mine, ACT/015/015, Folder No. 2, Emery County, Utah

Enclosed please find a copy of Consolidation Coal Company's Plan to reconstruct prime farmlands that were damaged due to subsidence. These plans have been developed after discussions with the SCS in Emery County.

Since the construction season is nearly over for this year and the Company would like to mitigate the impacts by implementing the plan this fall, your expeditious review and approval is greatly appreciated.

Should you have any questions, please don't hesitate to call Lynn Kunzler of my staff.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Lynn Kunzler', with a checkmark and the initials 'SOT' written below it.
