Dear Mr. Drummond:

RE: Temporary Cessation, Emery Deep Mine, ACT/015/015, Folder #2,  
Emery County, Utah

The Division is in receipt of your letter of August 19, 1986 informing the Division that mining operations have ceased at the Emery Deep Mine.

Please note that all temporary cessations of operations must comply with regulation UMC 871.131. Section (b) of that regulation requires that the operator submit to the Division certain information including surface acreage disturbance and extent of underground workings, and identification of all activities which will continue during cessation. Please submit all information required by this regulation within 30 days of receipt of this letter.

Also, please note that I have replaced Jim Smith and that the Division has moved. Thank you for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "L. P. Braxton".
