Dear Dr. Nielson:

In response to a letter dated May 15, 1987, from D. Wayne Hedberg, requesting comments by the Albuquerque Field Office (AFO) on an amendment to the permit of Consolidated Coal Company's Emery Deep Mine, the AFO has no substantial comments concerning the proposed underground mining sequence change.

I would like to take this opportunity to express my appreciation for the chance to review the amendment prior to its approval by your Division.

Sincerely,

Robert H. Hagen, Director
Albuquerque Field Office
