Rear Mr. Bray:

In response to your letter dated March 16, 1992, and after reviewing your submittal, permission is hereby given to raise the access road berm of Pond #3 by 1 foot, which according to your calculations will provide total containment of the 100-year/6 hour storm event. No additional information will be required by this Division for this work.

Should you have any further questions concerning this project, please contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Mark P. Page".
