RE: UPDES Inspection for Permit
#UT0022616

Dear Mr. Heard:

Enclosed you will find a copy of the inspection report made for the inspection of the Consolidation Mine outside of Emery, Utah. The inspection was made by Harry Campbell and Mike Herkimer on October 10, 1991.

Also, could you please inform us if your headquarters office address has changed. We have tried to mail this report to your head office on Olive Boulevard, in St. Louis, Missouri, but it always comes back stamped "insufficient address".

Please refer to Harry Campbell at (801) 538-6146, for any questions.

Sincerely,

Harry Campbell, Environmental Engineer
