Dear Mr. Hagen:

Re: TDN X-92-020-370-004TV1, Consolidation Coal Company Emery
Deep Mine, ACT/015/015, Emery County, Ut.

The above-cited TDN was received at DOGM 12-24-92. Pursuant to our telephone conversation 12-28, I am requesting an extension in the Division's response to 1-13-93. The basis for requesting the extension is lack of hydrologic staff to review the terms of the notice because of the Christmas and New Years Holidays. We will have permitting staff in the office Jan. 4, and will be able to address the terms of the TDN at that time.

Thank you for your consideration of this request.

Sincerely,

Lowell
