Dear Mr. Settle:

Re: Approval of Supplemental Pond Design Information, Consolidation Coal Company, Emery Deep Mine, ACT/015/015-92C, Folder #3, Emery County, Utah

The submittal received on March 6, 1992, regarding the above noted permitting action was reviewed and found to be complete and adequate by Rick Summers, of the Division's technical staff. The submittal was in response to the Division's request for more design information for sediment ponds at the Emery Mine.

The Division hereby approves the above referenced action. Thank you for your cooperation in resolving this matter.

Sincerely,
