Re: Emery Mine, Permit #ACT/015/015
Response to Correspondence dated December 8, 1992

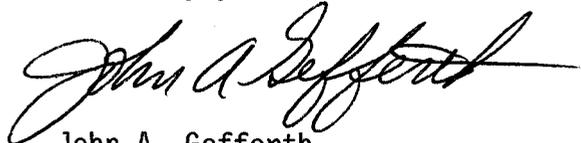

Dear Mr. Haddock:

Per your phone conversation on January 4, 1993 with Dee Bray, we are asking for an extension on the construction of Ditch D-2A due to weather conditions. The ditch will be constructed by May 1993 when the weather is more conducive to construction.

Per the above mentioned phone conversation, we are asking for an extension until March 22, 1993 to respond to the deficiencies addressed in your letter dated December 8, 1992.

If you have any questions or comments concerning these requests, please contact me or Dee Bray at the above location.

Sincerely yours,

John A. Gefferth
