Re: Island Creek Coal Company Ownership and Control Information, Consolidation Coal Company, Emery Deep Mine, ACT/015/015, Folder #3, Emery County, Utah

Dear Mr. Beach:

Thank you for supplying the Transaction documents for the Island Creek Stock Purchase. This information provides us a better picture of Island Creek's relationship to CONSOL and will help us resolve the Ten Day Notice recently issued by OSM regarding this transaction.

At this time there still remains one outstanding issue which must be addressed. CONSOL's Permit Application Package (PAP) for the Emery Deep Mine remains out of date. The Emery Deep PAP must be updated with the appropriate Ownership and Control Information. We trust that CONSOL will provide this revised information by the October 12, 1993 date previously identified in our September 9, 1993 letter to John Gefferth.

Please call if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Daron R. Haddock".
