Deadline Extension for 1994 Annual Report

*Route to Dixon

ACT/015/015 #3*

Dear Mr. Haddock:

Per your phone conversation today with Bill Dunn, we are requesting a deadline extension until April 28, 1995 for the 1994 Annual Report for the Emery Mine. As was discussed during the phone conversation, we have had personnel changes within the position which assembles the water quality information, and will need additional time to properly assemble the necessary data.

If you have any questions concerning this request, please contact Bill Dunn at (314) 275-2409.

Sincerely,

A handwritten signature in cursive script that reads "John A. Gefferth".
