Re: Permit Renewal Application, Consolidation Coal Company, Emery Deep Mine,
ACT/015/015, Folder #2, Emery County, Utah

Dear Mr. Gefferth:

As a follow-up to our telephone conversation on April 27, 1995, this letter is notification that the Division will not require Consolidation Coal Company to reformat the mining and reclamation plan for the Emery Deep Mine for the permit renewal. However, please update appropriate text to correct verbiage that states "proposed" and should be "actual".

Thank you for your cooperation. If you have any other questions, please call me.

Sincerely,

A handwritten signature in black ink, appearing to read "Pamela Grubaugh-Littig".
