Re: Mid-term Mine Plan Amendments, Emery Deep Mine, Consolidation Coal Company, ACT/015/015-95B, Emery County, Utah, Folders 2

Dear Mr. Kirschbaum:

Enclosed please find copy of the Bureau of Land Management's (BLM) comments after reviewing Consolidation's amendment proposals. The BLM indicates that the Resource Recovery and Protection Plan needs to be updated to reflect mine sequence, status and conditions after June 1990.

We cannot complete the permit amendment process until this information is submitted. Please review this letter and contact Mr. Tetreault if necessary.

Thank you for your time and cooperation. If you have any comments or concerns please contact me at (801) 544-1893.

Best Regards,
