Re: 1997 Annual Report Deficiency, Consolidation Coal Company, Emery Deep Mine,
ACT/015/015, File #3, Emery County, Utah

Dear Mr. Kirschbaum:

The Division has reviewed your 1997 annual report for the Emery Deep Mine. It was noted that subsidence data was not included in the report. You will still need to supply the Division with information on subsidence monitoring for 1997. Please do so by May 22, 1998. We appreciate your help in resolving this issue.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
