SUBJECT: Determination of Administrative Completeness for permit renewal, Consolidation Coal Company, Emery Deep Mine ACT/015-015
State Identification Number: UT001013-060

Dear Ms. Grubaugh-Littig:

The Resource Development Coordinating Committee (RDCC), representing the State of Utah, has reviewed this proposal. The Division of Air Quality comments:

The proposed project is subject to Utah Air Conservation Rules (UACR) R307-205-5, Mining Activities, since fugitive dust emissions will be generated during mining activities. In addition, a Notice of Intent should be filed to the Division of Air Quality at 150 N. 1950 West, Salt Lake City, Utah 84116 if any on-site crushing will occur.

The Committee appreciates the opportunity to review this proposal. Please direct any other written questions regarding this correspondence to the Utah State Clearinghouse at the above address or call Carolyn Wright at (801) 538-1535 or John Harja at (801) 538-1559.

Sincerely,

John A. Harja
