RE: Verbal Approval of the Installation of Power Line to the 4th East Power Poles,
Consolidation Coal Company, Emery Deep Mine, C/015/015-02D, Outgoing File

Dear Mr. Kirschbaum:

This letter is follow-up to the verbal approval given to Seth McCourt on October 21, 2002 for the installation of power lines to the 4th East power poles. These power lines; however, **cannot be energized** until amendment #C/015/015-02D is approved by the Division. If the power lines are energized prior to approval of amendment #C015/015-02D, a Cessation Order will be issued.

If you have any questions, please feel free to call me at (801) 538-5268 or Stephen J. Demczak at (435) 613-5242.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
