Re: NOV 03-39-1-1, Permit C/015/015  
Consolidation Coal Company, Emery Deep Mine  
Extension Request

Dear Mr. Braxton:

This letter is to request an extension of time to comply with the remedial action plan outlined by the Division following our meeting held on July 31, 2003, and subsequent extensions granted by your department thru 10/15/03. The extension is necessary to allow your department to review and approve Consol's amendment to the MRP prior to beginning field work outlined in Appendix X.C-3. Consol is requesting a time extension until October 30, 2003.

It is Consol's understanding that once the amendment is approved that the above mentioned NOV will be abated.

If you have any questions concerning this request, please contact me at (618) 625-6850.

Sincerely,

John Gefferth  
Permit Coordinator
