Steve,

Thank you for working on this. I have uploaded all of the Emery samples from the pipeline a report is attached.

The Emery Deep sampling is now up to date.

The two Hidden Valley samples in the pipeline still need to be sorted out.

Please let me know if you have any questions.

Thank you,

Pam,

I have submitted the additional fourth qt. samples for Consol, Emery Mine.  
There are still three I'm having trouble with. I've left Dana a message.

Thanks, Steve
