Subject: Re: Emery Water Data

Steve,

I uploaded this data, a report is attached. You are no longer missing samples. For site 7 you only needed to enter April, not May and June that is why you had trouble.

Please let me know if you have questions.

Thanks,

Dana Dean, P.E.
Senior Reclamation Hydrologist

Pam,

The data that Dana said I was missing is now entered in the system.

Thanks

Steve
