RE: Compliance Review for Section 510 (c) Findings, Emery
Deep Mine, Consolidation Coal Company, C/015/0015

As of the writing of this memo, there are no NOVs or COs which are not corrected or in the process of being corrected. There are no finalized Civil Penalties which are outstanding and overdue in the name of Consolidation Coal Company, although Kentucky violations are covered under a settlement agreement with Island Creek, see attached Applicant Violator System information dated May 24, 2005. Consolidation Coal Company does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.
