Rhett,

I have uploaded the remaining samples for Emery Deep (4th qtr. 2005) from the pipeline. A report is attached. It seems that you have now included all samples and parameters required, and your monitoring is complete for the fourth quarter of 2005.

Thank you very much for responding quickly and getting your data in early. Please let me know if you need anything else.

Dana,

I have updated the pipeline with the information I forgot. I apologize for the inconvenience.

Thanks

Rhett

Rhett,

I have uploaded all of the information for Emery Deep from the pipeline into the database. A report is attached.

As a reminder, according to parameters set by the assigned hydrologist, you are still missing samples for:

UT0022616-002,  
UT0024040-001,  
UT0022616-004,  
UT0022616-005,  
UT0022616-006,  
UT0022616-007, and  
UT0022616-008.

Please let me know if you have any questions.

Pam

The water monitoring for Consol Emery Mine 4th Qtr. is in the pipeline. If we need anything else please let me know and I will get it taken care of.

Thanks

Rhett Crane
