Subject: Withdraw April 20,2007 and May 04, 2007 submittal for Emery Mine

Pam

Per our phone conversation please consider this a request to withdraw the submittal dated April 20, 2007 (re-submittal of full extraction pillar splitting plan, planned subsidence 14th West Panel) and May 04,2007 (Updated Pre-subsidence survey 14th/15 West panels).

Per ongoing talks with your staff I plan to combine the two submittals and incorporate the deficiencies identified by your staff later this week.

Thanks for your timely review.
