RE: Emery Mine
Permit No. ACT/015/015
2007 Annual Report

Dear Mr. Smith:

Enclosed please find a copy of Consolidation Coal Company's, 2007 Annual Report for the Emery Mine. A second copy has been sent to your Price Field Office.

Over the last year, Consolidation Coal Company and its parent company Consol Energy Inc. has undergone several changes involving ownership, officers and directors. Within the 2007 Annual Report (Appendix C-1 and C-2, "Department of Commerce" and "Ownership & Control Information"), certificates have been included to detail the current corporate structure, changes in its officers and directors, and a listing of current officers and directors of Consolidation Coal Company.

Copies of mining notifications to respective water conservancy districts and owners and/or occupants of surface property can be reviewed at the Emery Mine office. If you have any questions or need further information, please contact me at the above location.

Sincerely,

Timothy D. Kirschbaum
Environmental Engineer
