Re: Emery Deep Mine Permit C/015/015
MRP insignificant revision to add training pad area to map

Dear Mr. Haddock:

Please consider this a minor revision to the above mentioned permit. Enclosed please find 3 copies including an executed C1 form, C2 form, and revised pages, and revised Plate II-1 (Structures and Facilities Main Portal Area). A copy has been forwarded to your price field office. A cd-rom has been included with the submittal in pdf format.

This revision includes a area that will be used for annual MSHA retraining. The area is located in the parking lot and has been previously disturbed and reports to an approved drainage basin.

If you have any questions concerning this request, please contact me at (618) 625-6850.

Sincerely,

John Gefferth
Environmental Engineer
