Daron,

Below is the e-mail that John Gefferth sent to OSM regarding the ZZ North fed. lease addition. I'd asked him to CC you, but he must have forgotten.

Carl

I am anticipating a signed BLM recommendation letter by the end of this week.

I am also anticipating a DOGM conditional approval letter next week.

The DOGM approval will be conditioned on Consol obtaining, and submitting to DOGM, a signed federal lease.

We anticipate the federal lease to be issued during the week of October 19, 2009 and pre dated to October 1, 2009.

Assuming that I forward these two items to you when I receive them , is there anything else that you need to expedite the OSM process??

John Gefferth
