The initial review for the amendment has been done. John Gefferth sent us the information (informally) two weeks ago. Go ahead and send out the e-mail that it passed it's first sniff test.

Thanks,
Steve

Hello Steve,

We received the above-mentioned task on 9/17/09. The IR is due on 10/2/09.

Please email me, cc to Jim and Daron, when the IR is complete. At that time I will send an email notification to the Operator. This task is set up in the CTS if you want to add your team.

Thanks!
