Subject: Treatment Plan for the Mitigation of Potential Adverse Effects to 42Em3924, Consolidation Coal Co., Emery Deep Mine, C/015/0015, Task ID #3086, Emery County, Utah, Outgoing File

Dear Ms. Hunsaker:

Please find enclosed a document titled, "Cultural Resource Inventory of Consolidated Energy's Emery Life of Mine Full Extraction Parcels, Emery County, Utah Township 22 South, Range 6 East." And, "Treatment Plan for the Mitigation of Potential Adverse Effects to 42Em3924, Emery County Utah."

Site 42Em3924, found on Private land, will be adversely affected by the proposed Emery Deep mine and this effect cannot be avoided. Accordingly, the agency proposes that the treatment plan described in the enclosed document for this site serve as appropriate mitigation for this effect. We seek your concurrence with this determination.

Thank you for your comments on this case. Should you have any further questions, please contact me at 801-538-5318 or by email at ingridwieser@utah.gov.

Sincerely,

Daron Haddock
Permit Supervisor
