Re: Addition of Bathhouse Trailer Pad, Emery Deep Mine, C/015/0015, Task ID #3413

Dear Mr. Gefferth:

The above-referenced amendment was conditionally approved on November 2nd, 2009. Final approval was conditioned upon the following:

- 1) The Permittee must provide 6 clean copies prepared for incorporation into the mine plan. Please submit the clean copies by December 2, 2009.
- 2) The Permittee must provide revisions to Plate II-1, Structures and Facilities Main Portal Area. The revisions must include the following:
 - i. Corrected locations for all six bathhouse trailers;
 - ii. An identification number for the sewage treatment plant; and
 - iii. A Professional Engineer Certification by registered professional engineer with the State of Utah.

These conditions have been met. Enclosed is a stamped incorporated copy for insertion into your copy of the Mining and Reclamation Plan.

Thank you for completing this permitting action. If you have any questions, please feel free to call me at (801) 538-5262 or Steve Christensen at (801) 538-5350.

Sincerely,

Jim Smith
Permit Supervisor
