Re: Emery Deep Mine Permit C/015/015
4 th East pond 9 culvert Citation #10056

Dear Mr. Haddock:

Per the Divisions citation #10056, dated 06/15/2010, please consider this an insignificant revision to correct the plate in question.

Although there are no DOGM regulations requiring that all culverts be labeled, Consol is submitting this Plate with the culvert to pond 9 labeled on the map.

Enclosed please find four (4) copies for your review and executed C1 and C2 forms. A cd with the submittal in pfd format is enclosed.

If you have any questions concerning this request, please contact me at (618) 625-6850.

Sincerely,

John Gefferth
Environmental Engineer
