Ian,

Thanks for getting those in. As far as other reports go, please remember to get the reports in within 30 days following the end of the reporting month (i.e. please get January's report in prior to the end of February).

Let me know if you have any questions.

Thanks Ian,
Steve

p.s. I meant to come over and introduce myself during the water-user meeting earlier this month. We'll cross-paths one of these days I'm sure.

Steve,

I apologize for the confusion on my behalf. Attached are subsidence reports for 2009. Let me know if you will be needing any other reports. Thanks.
