Hi John,

The status of Mr. Sundstrom's citizen complaint is that we're monitoring the situation. We established six monitoring points at some representative depressions and we're monitoring them to see if there are any changes.

Pete Hess is the inspector who conducts the monitoring at the site. Feel free to follow up with him if you have more questions.

Regards,
Steve

p.s. HAPPY NEW YEAR!

What is the status of the Jon Sundstrom complaint.

My file shows that DOGM inspected his property and will continue to do so??
