Assignments of Federal Coal Leases Approved

On April 28, 2014, CONSOL Mining Company, LLC, submitted assignments of Federal coal leases UTU-5287 and UTU-50044 with Consolidation Coal Company, as assignor, and CONSOL Mining Company LLC, as assignee.

Satisfactory evidence of the qualifications and holdings of CONSOL Mining Company LLC has been filed, as required pursuant to the regulations at 43 CFR 3472. The Department of Justice has been forwarded information as to whether this transfer would create a situation inconsistent with the antitrust laws and no comments were received within the 30-day period. Therefore, the assignments meet the requirements of the regulations and are hereby approved effective October 1, 2014. Approval of the assignments does not constitute approval of any of the terms therein which may be in violation of the lease terms.

A rider to the Logical Mining Unit (LMU) bond No.1021372, maintained by this office, in the amount of \$603,000 for LMU UTU-73335, was filed on September 5, 2014. The rider changes the name of the principal for this bond from Consolidation Coal Company to CONSOL Mining Company, LLC, a subsidiary of CONSOL Energy, Inc. Lexon Insurance Company remains the surety of this bond, covering Federal coal leases UTU-5287 and UTU-50044, respectively.

The rider has been reviewed and found acceptable as of the date of filing.
