Subject: DOGM Citizen Complaint from Jon H. Sundstrom

Dear Mr. Sundstrom,

On March 4, 2015, the Division of Oil, Gas and Mining (the Division) received your letter informing us that you have withdrawn the citizen complaint you filed on November 27, 2012. It is the understanding of the Division that you have reached an acceptable solution with CONSOL Mining Company, LLC.

As such, this letter serves as official notice from the Division that we are closing the citizen complaint and will cease continued monitoring of your property. The Division does not find CONSOL Mining Company, LLC at fault for the condition of your property as outlined in your citizen complaint.

We're pleased that an agreeable conclusion was reached in this matter.

Sincerely,

Steve Christensen
