Dear Ms. Goodballet:

The Division received your application for renewal of the Emery Deep Mine permit on September 2, 2015. Review of the submitted information indicates that the application is now considered administratively complete. The Division will now provide notice to all appropriate agencies that an application is available for public review and comment.

Because of the strict time frames associated with public notice for a renewal application, you should immediately proceed with publication as required by R645-300-121. At the same time you should ensure that a copy of your application is filed with the county recorder.

A copy of the Affidavit of Publication should be forwarded to the Division as soon as it is available.

Thank you and please call me at (801) 538-5325 if you have any questions.

Sincerely,

Daron R. Haddock
