ADMINISTRATIVE OVERVIEW

CONSOL Mining Company, LLC
Emery Deep Mine
C/015/0015

December 4, 2015

Background

The Emery Deep Mine is owned by Consolidation Coal Company (Consol). This mine is located in Emery County at the confluence of Quitchapah Creek and Christiansen Wash, approximately four miles south of the town of Emery.

There is a long history of mining in this area. Prior to August 3, 1977, permitted underground coal mining activity was being conducted in Sections 28, 29, 32, and 33 of T22S, R6E. A permanent program permit was issued January 7, 1986 for the Emery Deep Mine and permits were renewed in 1991, 1996, 2001, 2006 and 2011.

Due to economic conditions, the Emery Deep Mine was in temporary cessation from 1990 to 2002. Prior to stopping production, the mine was producing approximately 700,000 tons per year. In June 2002, mining commenced on the Fourth East Portal to meet diligence obligations for federal leases associated with the Emery Deep Mine. This diligence was met on June 11, 2003. The mine stopped production temporarily in late 2003 and then started mining again on August 9, 2004 and was producing over one million tons per year. Coal sales were quite soft and the mine was placed in temporary cessation on February 16, 2011. No coal has been mined since that time.

A transfer application that assigned the permit to CONSOL Mining Company, LLC was approved on February 21, 2014.

Recommendation for Approval

The Division has determined to approve the permit renewal for five years based on the fact that 1) The terms and conditions of the existing permit are being satisfactorily met; 2) The present coal mining and reclamation operations are in compliance with the environmental protection standards of the State Program; 3) The renewal does not substantially jeopardize the operator's continuing ability to comply with the State Program on existing permit areas; and 4) The operator has provided evidence of having liability insurance and a performance bond which will be in effect for the operation and will continue in full force and effect.
