RE: Emery Mining Corp.
Church Mines
ACT/015/017
Emery County, UT

The above mentioned mine site was visited on July 15, 1980 by Mary Kay Stein, Reclamation Officer and Vickie Ketvirtis, Oil Reclamation Specialist. They were accompanied by Larry Guymon, Dick Jones, and Joe Kelso, from Emery Mining Corp.

The visit was to terminate violation #1 issued on July 10, 1980. The violation was terminated by Mary Kay Stein but after a visit by Joe Helfrich the termination was withdrawn. So the violation still stands till more work is done on the berm.

Runoff from the scale pad area was entering a drop culvert on the right side of the road. Belting had been installed but wasn't holding the water. Larry Guymon said this problem would be fixed immediately.

No other violations were issued.
