Dear Mr. Crane:

Enclosed please find three (3) copies of the Utah Power and Light Disposal Plan for the Des/Bee/Dove Mines.

Mr. Karl D. Gurr mentioned that a meeting be set at the Utah Power and Light disposal site to include technical representatives of the Office of Surface Mining, U.S. Forest Service, Division of Oil, Gas and Mining, Utah Power and Light Company and Emery Mining Company.

Please feel free to call if you require further information. Please indicate when you wish to send a representative to visit the site and I will coordinate this with Utah Power and Light and the U.S. Forest Service.

Sincerely,
