Memo to Coal File:

RE: Utah Power & Light Company
Des-Bee-Dove Mine
ACT/015/017
Wilberg Mine
ACT/015/018B
Emery County, Utah

On January 18, 1982, Tom Tetting, Sally Kefer, Sandy Pruitt, Andy Burton, Dave Darby, Cy Young, Gilbert Hunt, Betty Barela and Tammy Edge of the Division met with Larry Guymon at Emery Mining Corporation offices at about 3:30 p.m., and proceeded from there to take a short drive through tour of surface facilities at both the Church Mines (Des-Bee-Dove) and Wilberg Mine. Approximately 20-25 minutes was spent at each mine. We drove to various vantage points at the minesites and asked Larry questions about the surface facilities and operations and got a quick overview of these facilities.
