Dear Mr. Klein:

Enclosed please find sixteen (16) copies of the amended Waste Rock Disposal Plan for the Wilberg and Des-Bee-Dove mines. The Division is forwarding this plan so you may appraise the reviewer (contractor) of its status and include it in the overall review of the MRP.

This revised plan incorporates additional information as requested in our review letter of August 8, 1983 and supercedes all previous submittals including those contained in the Permit Applications of March 20, 1981. Please use these copies to replace Appendix VII of the Wilberg Mine Plan and Appendix V of the Des-Bee-Dove Mine Plan.

Sincerely,

~~CYRIL L. YOUNG~~
