Dear Mr. Dalton:

RE: Sediment Storage Plan, Utah Power & Light Company, Des-Bee-Dove  
Mines, ACT/015/017, #3, Emery County, Utah

Enclosed please find one (1) copy of Utah Power & Light  
Company's MRP Amendment for their Des-Bee-Dove Mines. The Division  
is forwarding this copy to update your files and current MRP copy  
and to solicit your comment. If the Division fails to receive  
comments by July 31, 1984, we will assume none are required. The  
company is very anxious to perform the necessary stabilization work  
as soon as possible to correct a potential hazardous situation.

information, please call me or D. Wayne Hedberg of the Division  
staff.

Sincerely,
