Dear Mr. Rowley:

We wish to inform you of the following change to the Des-Bee-Dove mine plan.

This change consists of driving three entries in the Beehive Mine from the top of Main North, to crosscut 11, 12, and 13 in 1st North as shown on the attached map. Upon completion, these entries will allow us to recover the coal in 2nd North which would be inaccessible from any other route.

Should you have any questions concerning this plan, please feel free to contact me.

Sincerely,

Jerry Taylor
Senior Mining Engineer
