Ms. Dianne Nielson
Director, Division of Oil, Gas and Mining
State of Utah
355 West North Temple
3 Triad Center Suite 350
Salt Lake City, Utah 84180-1203

Dear Ms. Nielson:

Please accept this letter as notification of a non compliance water discharge at the Des-Bee-Dove sediment pond.

Effluent standards were exceeded during pond cleaning.

The total dissolved solids limitation cannot be met as the soluble salts inherent with the surface shales cause high concentrations.

We plan to consult with the State Health Department for relief of this problem.

Sincerely,

A handwritten signature in cursive script that reads "C. E. Shingleton".
