RE: Response to the Office of Surface Mining's Technical Deficiency
Letter, Utah Power & Light Company, Des-Bee-Dove Mine,
ACT/015/017, #2, Emery County, Utah

In Reply Refer To Case No. E416

Dear Mr. Daniels:

The Utah Preservation Office has received for consideration the above
referenced document. After review of the document and your letter of
January 9, our office notes no material concerning cultural resources
that may be covered by the 1980 Historic Preservation Act and would
be considered for review by our office.

Since no formal consultation request concerning eligibility, effect
or mitigation as outlined by 36 CFR 800 was indicated by you, this
letter represents a response for information concerning location of
cultural resources. If you have any questions or concerns, please
contact me at 533-7039.

Sincerely,

James L. Dykman
Cultural Resource Advisor
Office of State Historic
Preservation Officer
