Dear Mr. Guymon:

RE: MRP Amendment, American Kinfolk, Incorporated, Sanitary Landfill, Utah Power & Light Company, Des-Bee-Dove Mine, ACT/015/017, #3, Deer Creek Mine, ACT/015/018, #3, Wilberg Mine, ACT/015/019, #3, Emery County, Utah

In response to your May 3, 1985 letter notifying the Division of your intent to use the sanitary landfill owned by American Kinfolk, Inc., please be advised that the Division has been notified by the Department of Health personnel that this landfill is not an approved site. Apparently, there are a number of areas which must be improved or modified at the site before the Department of Health will allow use of this facility.

If you should have questions on this matter, please contact Kent Montague from the State Department of Health here in Salt Lake City.

Thank you for your attention to this matter.

Sincerely,
