-and-

Mr. Steve McNeil
Utah State Department of Health
Division of Environmental Health
Bureau of Water Pollution Control
P. O. Box 2500
Salt Lake City, Utah 84110

Gentlemen:

Enclosed are the third quarter discharge reports for
Wilberg, Deer Creek and the Des-Bee-Dove Coal Mines.

Three show discharges in excess of stated minimums for
T.D.S. We have metered the discharges to coincide with the one ton
per day limit. Both the Deer Creek and Wilberg sedimentation pond
have been decanted and will remain open until storm runoff occurs.

Sincerely,

C. E. Shingleton
