Ms. Katherine M. Mutz, Reclamation Biologist
Utah Division of Oil, Gas & Mining
355 West No. Temple
3 Triad Center, Suite 350
Salt Lake City, UT 84180-1203

Dear Kathy:

The Division has reviewed the Wildlife Habitat Mitigation Plan for the Des-Bee Dove/Wilberg haul road and the waste rock disposal area. As you know, Larry Dalton of our staff has worked intimately with Val Payne from Utah Power & Light's Mining Division to develop this proposal. We find the mitigation plan to be satisfactory, and eagerly await its implementation.

Thank you for an opportunity to provide comment.

Sincerely,

John or JB Dalton
