PLAN FOR THE DES-BEE-DOVE HAUL ROAD, UTAH POWER
& LIGHT COMPANY, DES-BEE-DOVE MINE, ACT/015/017,
FOLDER #2, EMERY COUNTY, UTAH**

Dear Ms. Grubaugh-Littig:

UP&L requests approval to submit the above information no later than January 31, 1990. This is primarily due to excessive work loads in our civil engineering department.

Seven (7) copies of all maps and text will be submitted for insertion into the permit. Additionally, plans for current erosion control will also be submitted at that time. Implementation of these plans will then be done during 1990 as weather permits.

Sincerely,

David Smaldone
