September 25, 1990

Mr. Peter A. Rutledge, Chief  
Division of Federal Programs  
Western Field Operations  
Office of Surface Mining  
Brooks Towers, 1020 15th Street  
Denver, Colorado 80202

Dear Mr. Rutledge:

Re: Rewritten Permit Application Package for the Five-Year  
Renewal, Utah Power and Light Company, Des-Bee-Dove Mine,  
ACT/015/017, Folder #2, Emery County, Utah

Enclosed is one copy of Utah Power and Light Company's rewritten Permit Application Package (PAP) attendant to the Five-Year Permit Renewal for the Des-Bee-Dove Mine. The text has been revised to incorporate the responses to all agencies' deficiencies and the rewritten Utah Coal Rules that became effective April 12, 1990.

The Division requests that if you have any further deficiencies or comments, please forward these to the Division by no later than November 2, 1990. If there are any questions about the new format, please call Mr. Scott Childs, Utah Power and Light Company, (801) 220-4612.

The Division will collect all of the obsolete Des-Bee-Dove Mine volumes upon issuance of the permit renewal.

Sincerely,

  
Pamela Grubaugh-Littig  
Permit Supervisor
